[Westlake Academy](#) (4-1) and [Founders Classical Academy](#) (2-3) are set to face off this Friday at 4:00 PM. With three consecutive blowout wins, Westlake Academy is looking for someone to give it a good challenge; hopefully Founders Classical Academy will step up.

Westlake Academy can now show off three landslide victories after its game last week. The final score between it and Harvest Christian last week was a 66 - 16 blowout in Westlake Academy's favor. Senior Jude Perry was a big part of the win as his strong performance led the charge (he picked up 227 yards on the ground).

As for Founders Classical Academy, after flying high the game before (36 points), it faltered in its previous match. It simply didn't have it last week, losing 56 - 8 to Wylie Prep Academy. The blowout was painful but not necessarily a surprise as Wylie Prep Academy is ranked 62nd in the state, 99 places higher than Founders Classical Academy.

The last time they met, Founders Classical Academy got past Westlake Academy 56 - 41. Westlake Academy had a lot of yards that game (440) and will likely be setting its aim high again. Will it avenge its loss? We'll find out soon enough.
