# YOUTH TOUR PROMOTIONAL GRANT OPPORTUNITIES

Advisors, thank you for your cooperation and participation as we begin to accept applications for the 2023 Youth Tour! In an effort to increase the number of applications and continue our close partnerships with your school, we are offering grants for teachers and campuses who participate.

This year, Tri-County Electric Co-op will award two different grants, totaling \$1,000 overall.

High schools from within our service areas are eligible to participate in the running for our first-ever Campus Recognition Grant and School Organization Sponsor Grant.

## Campus Recognition Grant

The \$500 Campus Recognition Grant will be awarded to the campus with the most applicants, based on percent total of **eligible** applicants. Percentage is determined by the total from total number of eligible applicants divided by total number of students in the sophomore and junior class.

## School Organization Sponsor Grant

Four \$125 School Organization Sponsor Grants will be raffled off and awarded to four organizational sponsors (UIL Coach, NHS Sponsor, Student Council Sponsor, etc.). Organization Sponsors will be entered into the raffle each time the sponsor meets one of the following criteria (*no limit on entries*):

- Writes three (3) letters of recommendation
- Invites a Tri-County Electric Co-op employee to present to their organization
- Coaches/sponsors a student that is an active member/participant of **your** organization **and** who is chosen as a 2023 Youth Tour recipient

## Advising Department Treat

Each Advising/Counseling office that has a student selected for the 2023 Youth Tour will receive a catered breakfast or lunch.
