

Code Enforcement Violations

Westlake

10/01/2025 - 10/31/2025

Jurisdiction	Date	Case Number	Violation Name	Property Address	Parcel Number	Violation Status	Case Status	Next Inspection Date	Court Date	Corrections	Inspection Notes	Code Officer
Westlake	10/03/2025	25WES-00071	High Weeds	1951 Sam School Road, Westlake		Closed	Closed	10/17/2025			Lots were mowed	Eva Hebert
Westlake	10/04/2025	25WES-00072	Construction site conditions	1497 Forest Knoll Drive, Westlake			Open	10/17/2025			Picture of the erosion control area that needs corrections made mud and dirt in the street shown	Eva Hebert
Westlake	10/24/2025	25WES-00073	High Weeds	1505 Forest Knoll Drive, Westlake		Pending Inspection	Open	11/07/2025		Please remove or cut all such grass, weeds or plants as often as may be necessary to comply with sections 46-116. The grass and weeds must not exceed 12 inches in height. Please mow and maintain the tall grass and weeds throughout the perimeter of the property.	Violation Notice	Eva Hebert
Westlake	10/31/2025	25WES-00074	Accumulations on lots or parcels of land prohibited	1478 Forest Knoll Drive, Westlake		Pending Inspection	Open	11/11/2025		I observed an accumulation of stagnant water on the property. The stagnant water is creating or has the potential to create a public nuisance and a health hazard by servicing as a breeding area for mosquitos or other vectors. This condition constitutes a violation of The Town of Westlake Code of Ordinances. Which requires the property owner to correct the areas containing stagnant water. You are hereby directed to abate this nuisance by eliminating all stagnant or standing water from the premises and taking appropriate corrective measures to prevent its recurrence.	Violation Notice	Eva Hebert
Westlake	10/31/2025	25WES-00075	Construction site conditions	1493 Forest Knoll Drive, Westlake		Pending Inspection	Open	11/14/2025		The property was found to be in violation of the Town of Westlake Code of Ordinances related to construction site maintenance. Excessive debris and materials not properly contained. Sediment and mud tracking onto the roadway. Improper storage of construction materials or trash on site These conditions constitute a violation of the Town's construction site maintenance standards, which require that all sites be kept in a safe, clean, and orderly manner to prevent nuisances, hazards, and negative impacts to neighboring properties or the public right- of- way	Violation Notice	Eva Hebert
