

# CONTRACTOR REGISTRATION FORM

Planning and Development Department

## Registration Requirements

All new contractors must now register online via MyGov. Please use the following links:

- All existing contractor records and projects will be transitioned over into the new version. All existing accounts will use the email that is tied to their current MyGov Account. Existing contractors can go to [this link](#) to get started and choose the Forgot your password? option.
- New applicants or contractors can use the [MyGov Contractor Guide](#) to get started with creating your collaborator account.

Typical registration includes uploading the following information:

- Master & State Licenses
- Current Driver's License
- Certificate of Liability Insurance (COI)
